

ACCESS TO A ZOOM MEETING IN 10 STEPS

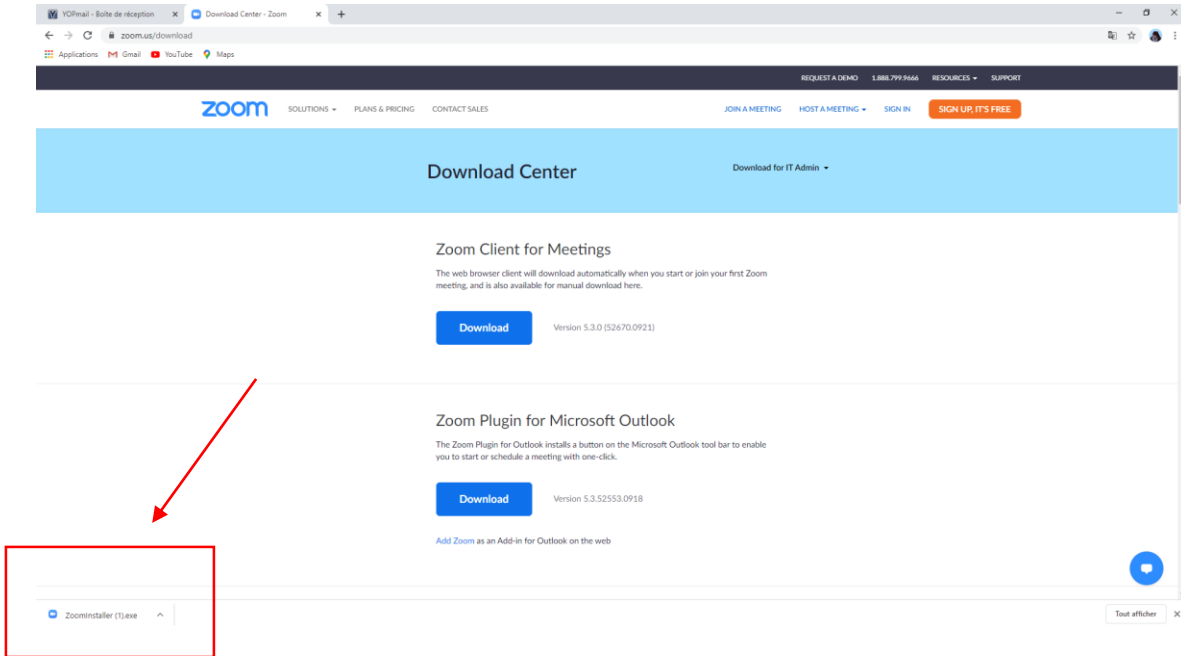

1) Open a Google search page and write **Zoom.us/Download** on the bar. Press the Enter key.

2) Click the first blue **Download** button below Zoom Client for Meetings.

3) A file has started to download. Depending on your browser, it will just appear at the bottom left or top right of your screen. It is called Zoominstaller.exe. You can click on it.

4) A Zoom Installer window will normally open in the middle of your screen. Wait for the download bar to reach 100%.

5) When finished, a window will normally open offering you two choices: **Join a Meeting** or Sign In. You have downloaded Zoom. You now have two ways to join a meeting or conference.

6) First option: On this new screen offering you to join the meeting, you can click on **Join a Meeting** and enter the meeting / conference code number that was communicated to you in the top white frame.

Voici également un message de la part de Julie :

Chers bénévoles,

La semaine dernière, vous avez exploré le patrimoine culturel québécois avec mes étudiants. Cette semaine, je vous propose d'explorer notre patrimoine naturel. En effet, le Québec regorge de lieux naturels, voire de paysages, des plus magnifiques. Ci-joint, vous trouverez l'activité de discussion que j'ai créée pour cette semaine. Avec mes étudiants, vous aurez le plaisir de voyager dans le Québec en quête de lieux inspirants.

Au plaisir de vous retrouver sur Zoom le mercredi 23 septembre à 14 h !
